Rand Fazaa

Senior Brand Designer

Brand Identity · Visual Identity Systems · Art Direction · Brand Development

---

01 PROFILE

Senior brand designer specialising in identity and visual systems. For 9+ years I have taken brands from first direction to finished system — concept, typography, colour and graphic language — and carried them through packaging, print and digital applications for hospitality, retail, aviation, media, real estate and consumer brands.

02 EXPERIENCE

MAR 2025 – PRESENT
DUBAI & AMMAN

Freelance Brand Designer & Art Director

Independent

- Lead identity projects end to end for hospitality, lifestyle and consumer brands.
- Turn each concept into a system: typography, colour, graphic elements, applications.
- Roll identities out across packaging, collateral, digital assets and print-ready production files.
- Art-direct presentations and mockups that show clients each concept and its applications.

FEB 2023 – MAR 2025

BlackSpoon Hospitality Group

Senior Brand Designer

- Senior designer across a multi-brand portfolio of restaurant, café and dining concepts.
- Developed and maintained each brand's visual identity and its applications.
- Designed the menus, packaging and promotional materials guests see across each brand.
- Contributed to the brands' websites, from design and development to content presentation.

Brands — **Allo Beirut · Masti Cocktail & Cuisine · Nafas Beirut · Bombay Bungalow · Ibn AlBahr**

MAR 2022 – FEB 2023

Airhub Aviation

Senior Brand Designer

- Developed brand identities and visual assets for multiple aviation businesses and brands.
- Extended identities into uniform, packaging, print and digital marketing applications.
- Worked with marketing and sales teams to keep brand communications cohesive.

Brands — **Airhub Airlines · Airhub Alliance · GetJet · JetJet**

02 EXPERIENCE, CONT.

SEP 2020 – MAR 2022

I See Media Production

Senior Designer

- Created visual identities and key art for television dramas and media productions.
- Translated scripts, narratives and briefs into visual concepts and promotional materials.
- Delivered across multiple productions and formats alongside production and creative teams.

MAY 2017 – SEP 2019

JPA International, Inc.

Midweight Graphic Designer

- Developed creative concepts and marketing materials for a corporate consultancy.
- Designed digital content, advertising collateral and website visual assets.
- Supported consistent visual communication across digital and print applications.
